

# Be prepared with Ecoglo Emergency Exit Signs - they won't let you down

## Standard Series

Durable, fail-safe photoluminescent technology with zero maintenance, easy installation and a 30 year indoor warranty.

## Architectural Series

Aesthetically pleasing. Of solid construction with all the usual Ecoglo features in a high quality finish.

## Hybrid Series

Low power usage and maintenance costs. No battery backup. Works in all lighting scenarios.

Luminance on all Ecoglo signs is NATA tested to meet BCA Vol 1 Spec E4.8
